

Download and Installation

1. Download DesiQner for Mac at <http://www.iqniter.com/designer> by clicking the Apple icon.
2. Double click the Apple disk image file and drag it to your applications folder.

3. Launch the application and the installation will begin. You will get a message box that says that the application is downloaded from the internet click open to proceed.

4. During installation, you will be asked to agree to several license agreements and a warning. Select "Yes" to the license agreements, ignore the warning and click continue.
Note! installation can take several minutes.

5. At the end of the installation you will get an installation complete message

6. DesiQner for Mac I now installed. The first time you log in, you will probably receive a message that says you need to activate your license to use the software.

Activating DesiQner for Mac

To activate your license, you have to go to <https://my.iqniter.com> and log in. When you are logged in, there is a link in the top banner that says “DesiQner” click on the link and a page that look like this will appear:

Licenses

DesiQner for Mac
 Please note: DesiQner for Mac requires a personal license key. Here is how to get started:
 1. Download and install DesiQner for Mac
 2. Get license key
 3. Register license key
 4. You are ready to go!

DesiQner for Windows
 DesiQner for Windows do not require any license key. Simply download and install and you are ready to go.

Software Product	License Key	Actions
DesiQner for Mac	No license	Download Register Get License Key
DesiQner for Windows	Not required	Download

- Now, to activate your license click on the “Register” button. You will now see a message box saying “Enter your license key”.

Note!

The “Download” button will download the DesiQner for Mac installation Apple Disk Image, click on that for installation only.

The “Get License Key” button will lead you to .he purchase page which you have already done if you have followed the guide from the beginning)

The image shows a dialog box titled "Register License" with a close button (X) in the top right corner. Below the title bar, there is a label "Enter your license key" followed by a text input field. At the bottom right of the dialog, there are two buttons: "Cancel" (blue) and "Save" (red).

- Enter you license key or copy and paste it from your email confirmation. Your license key will look something like: “a7ea9f34-095b-4a5f-84a0-05098bdfa272”. Click the “Save” button.

The image shows the same "Register License" dialog box as above, but now the text input field contains the license key: "a7ea9f34-095b-4a5f-84a0-05098bdfa272". The "Cancel" and "Save" buttons are still visible at the bottom right.

- After you press the save button you will see a message saying that your license has been activated. You can see your license key and the “Register” button is disabled.

Licenses
